ADRENALINE FULLSLEEVE

- The Synergy Adrenaline is a swimmer’s dream. It provides the buoyancy necessary, yet it feels like you are swimming in a sleeveless suit.
- Comes in 16 sizes to ensure a perfect fit.
- The anatomical construction offers support where needed and keeps you comfortable at the height of performance.
- Extremely buoyant and flexible with Powermax traction that propels you to your full potential.
- Full range of motion. Unsurpassed 680 percent flexibility.
**Men’s Endorphin Fullsleeve**
- $300

**Men’s Endorphin Long John**
- $240

**Men’s Endorphin Quick John**
- $200

**Endorphin Fullsleeve**
- Suitable for all levels. Ironman & USAT approved. Athlete endorsed. Comes in 16 sizes to ensure a perfect fit.
- Most highly rated and reviewed triathlon wetsuit for the past 3 consecutive years!
- Hydrodynamic neoprene made from Yamamoto #39 with SCS silicone coated SyPrene.
- 5mm thick core buoyancy panel / 3mm lower legs and back.
- Full range of motion. Unsurpassed 680 percent flexibility.
NEOPRENE SWIM GLOVES

- 2mm insulating neoprene thickness with lengthened cuffs for superior heat retention.
- Webbing for power and increased propulsion through the water.
- All seams are double stitched, heat taped and vulcanized.
- Enjoyed by swimmers, divers, surfers and kayakers worldwide.
SYNSKIN 3

- Highly advanced swimskin made from the most advanced hydrophobic fabrics with welded seams.
- Reduces surface drag more than any other material to increase performance.
- Provides extraordinary elasticity, optimal muscular compression and exceptional breathability.
- Folded & bonded sealed edges reduces chafing and pressure points.
- Retains shape and compression fit longer.
